Bhattacharjee, Sandipa	(ECO 405LEC) I have never had such an amazing professor before. I have had professors that care, or want their students to succeed but she is above any exceptional professor i've had the courtesy of being around. she is an amazing soul built to better the people around her. I am glad she chose a career in teaching and if she were to ever leave UB it would be a huge loss to the education system you want to build. she loves what she is doing and is passionate about spreading her love for economics to her students
